

Celebrities as Girls

Who are these girls?

Choose six pictures of women when they were girls who are well known by your pupils.

You can download pictures of famous people from the internet. We suggest a singer, a TV personality, Mother Teresa, the Queen.

You can also add a teacher in your school or perhaps yourself.

Number or letter each picture.

Insert a list of questions on the page. Eg: Who loved and nursed the poor? Who grew up to be the Queen? Who became a teacher?

Pupils can answer the questions with a letter or number.
